

# Band Auxiliary Meeting

## July 8, 2024

### Call to order

### Introductions of officers

**Approve Minutes** – Stephanie Lemley moved to approve the minutes, Alex Tanner seconded, motion passed

**Lorne Hyskell** – Please make sure kids are eating all three meals and hydrating. This is crucial to your student's success. Emphasize the importance of getting paperwork in and payments so we can get tshirts ordered for camp which is 2 weeks away. We are missing at least 26. This is an eligibility issue for the county and state. Excited about camp, new staff coming to help at Jackson's Mill. So far today, the kids look ahead of schedule on learning the music. On the band website there is a band camp slide show as a PDF and one with me narrating it. Band schedule, band handbook, sign out forms. Take the time to review all the information so you know what is expected from your students and you as parent.

Kyra Tolliver – new M&M choreographer

**Treasurer** - Sarah Yokum – See complete report online.

Report is through June – just a few changes from the April report – 11,951.00 is total income. The 60 month CD is coming due, so we will be putting \$50,000 into a new CD at a higher interest rate.

Carl Poland moved to approve, Michelle Brumbaugh second, motion passed.

**Secretary** - Angela Carver - Subscribe to newsletter but click tab on front of webpage, check the website regularly, share FB posts about fundraising events
