Stadium Seats installation is coming – possibly Sept 6th, 7th, 8th (3:30-5:30 pm) or 9th

Stadium seating is the band's biggest fundraiser each year, over \$15,000.

The entire band installs (and uninstalls) stadium seats that season ticket holders purchase. We need all band members and parents to help. The installation dates are NOT set because there are brand new ones coming and the company doesn't have a definite date for arrival yet. Please mark your calendars for the week of September 5th.

Stadium seat rentals - At each WVU home football game, part of the band (assigned by last name) will come and rent stadium seats before the game. Parent and students will remain at the game and after the game is over go and pick up all the rented seats from the stadium. Students and parents arrive 2 hours before the game begins to start selling. You are admitted to the game at no charge.

Julia Robb needs help coordinating stadium seat installation – (Please email info@mohiganband.com if you are interested in helping)

If your child cannot be at WVU game to rent seats, it's your child's responsibility to switch with someone and let Mr. Hyskell/Reed know.

Concessions – <https://www.signupgenius.com/go/10c0948a5af2da0f94-mhsband>

Please sign up for at least one concession stand during the season. Not all jobs require you to be in contact with food. Runners fill needs between the home and band side of the school, merchandise helps sell tshirts etc, watering the band is making sure there are ice filled coolers with water on the field.

Currently there are two hour blocks rather than whole game sign-ups so you are not committed the entire game.

Committees – see attachment – *We need 3-6 people for each committee to make all our events and fundraisers a success.* Please email info@mohiganband.com indicating which committee you would be interested in helping with.
