Financial Report – Through March 31st – Primary \$155,904.35

Spaghetti Dinner did well, a few outstanding expenses. Profit was just about \$2500
Still one invoice due for Disney trip

There was a question about spaghetti dinner.

Spaghetti dinner prior to pandemic – profit was between \$3000-5000 when there were two dinners

We've lost vendors where we used to get food tax free – having to purchase foods outright has been more expensive.

Paypal has fundraising option where people can choose to donate to a charity.

Alexis McMillan will investigate. She sent the link to Angela Carver which was forwarded to Treasurer, Roberta Morgoyos

End of the Year Banquet – May 15th at 6 pm - \$16.00 per person Plaza Azteca – menu will go out in an email with Cupcakerie for dessert

Strawberry Festival chaperones – Mr. Reed will be going, not Mr. Hyskell. Friday night parade Report time 4 pm. LONG PARADE – Eat dinner before leaving. Strawberry shortcake after.

Pay-at-door or patron passes Spring concert. \$7 per adult, \$4 per student, MHS students/staff free.

We want to start getting ads for Patron program for Band Spectacular. mhsbandads@gmail.com

Band camp fee increases by \$30 - \$450. Band Auxiliary will cover the cost of all the instructors for band camp.

Spirit Night

Joella Kight told Mr. Reed there is a new Mexican restaurant for spirit night Monarca Mexican Taqueria –Walnut next to Starport Arcade

Talk to Sharon, secretary in the MHS office, about getting the band kids school cash online so parents can pay with credit card. Ideally this would be a good way to collect fees for band camp and future trips.

Fundraising

Mr. Reed suggested we do a Popcorn sale in June.

Signup genius for concession stand early.

Old Business:

Disney after event report – Was a great trip overall. Only one major snafu on the way down. Beginning of the week was struggling/sleepy, kids were going down from dehydration/exhaustion, so firm bedtime, discussion of eating and drinking water, so that everyone was a bit happier. Communication improved dramatically over the week. Parade was hot... Disney was not good with the photo.

Christine Wilcox commended the directors and chaperones for the job.

Leslie Moats – chaperone – stressful at times, but kids did great.

Adjournment

Next Meeting – May 23rd at 7 pm
